## KEYNOTE SPEAKERS

**Frank Nelson, Regional Program Manager of the North Bay  
Medicare Health Insurance Counseling and Advocacy Program**

Medicare healthcare is complicated. Learn more about home health, skilled nursing and rehab coverage available to your loved one or friend. Understanding the nuances helps you advocate for the care they need.

**Mary Piasta, Legal Attorney, Sonoma**

Caregivers traverse an unknown terrain of new responsibilities. Come learn how foundational legal documents and diligence can ease the journey. Local attorney Mary will explain these documents and other things to consider so that caregivers can take legal risks off their already overfull plate of worries.

**Registration is required.**

**Please call CarePartners at 707-732-9436 to register.**
